

IMPREGLON UK Ltd.
Corporate Policy

It is the declared Policy of the Directors and Management to provide both products and services that meet and wherever possible exceed the expectations of our Customers.

To this end we are committed to a philosophy based on Customer focus and will provide the leadership and example required to carry this process throughout the organisation.

We are mindful of the Environmental Aspects and Impacts of our operation and are committed to minimise these and prevent pollution, wherever practical.

We are also committed to ensure that Ethical issues, including those concerning Race, Colour, Creed and Sexuality, are dealt with in a manner designed to eliminate any potential for discrimination in Recruitment, subsequent Employment and also in our dealings with Customers, Suppliers, and their Subcontractors both in the UK and abroad.

The Health, Safety and wellbeing of Staff, visitors and any others who come into contact with the business and its processes is the cornerstone of our Corporate Social Responsibility Ethos.

We will, at all times ensure conformance with relevant Legislation.

We ensure that all staff, both new and existing, are aware of and given the necessary resources and training to ensure that these aspirations are met.

The Management system is based on the requirements of the Quality and Environmental Standards EN ISO 9001:2008 and 14001:2004, is reviewed at suitable intervals to ensure its suitability, effectiveness and the implementation of appropriate Objectives and Improvements.

We are constantly seeking to improve our processes and operations.

This Policy is an integral part of the Management System, is available to external parties, and subject to review at appropriate intervals.
